Vision
To create a community of learners that focuses on high expectations for all based on mutual respect, with shared beliefs and understandings about learning.

Mission
Our mission is to ensure that Reynella Primary School is a dynamic learning community where high expectations, effort and continuous improvement are valued. Students will work together to develop critical thinking and creativity in a collaborative, confident and respectful manner. We build the foundation for lifelong learning through meaningful relationships, appreciation and acknowledgement of others, while maintaining a safe and secure learning environment.
