QUIZ NIGHT

Thank you to the 140+ parents, students, family members, friends and staff who attended our Quiz Night last Friday 26th June in the hall. Through your participation we have been able to add $1569.20 to our fundraising total for the year. While the event was essentially to raise money towards a nature playground for the students, it was also planned as a social occasion for members of our community.

By all reports, most people enjoyed the evening – testing their knowledge by trying to answer some interesting and tricky questions in the 8 selected categories: All about Oz, Big is beautiful, Care Factor Zero!, In the news, Let’s Play Games, Name that tune, On the Box and The Silver Screen. Participants were also asked to identify 30 different logos and to match 20 famous celebrities with their strangely named offspring.

Questions were interspersed with some serious games of Heads and Tails with the Stiffle family displaying a hidden talent in guessing which way the coins would land; a “Who am I?” - guessed after only 4 clues; a coin tossing games for adults with a $75 bottle of Chivas Regal Extra won by Mrs Brown; and a $50 Movie Pass won by James Wade after a fiercely competitive coin toss by all of the children present with 4 playing off in the final round.

Congratulations to the tables which came in 1st, 2nd and 3rd. Commiserations to the table of 5 who persisted throughout and were provided with a wooden spoon and a Boost for their efforts.

Thank you to everyone who provided or sourced prizes for the event. A full list of donors appears in this Grapevine. Particular thanks to the following for their contributions to our Silent Auction:

**Hilltop Sales** (care of Matt Fielder) for donating a Brother Multifunction Printer valued at $429 and won with a bid of $260 by David Priest.

**Bunnings at Noarlunga** for donating an Outdoor Table Top Gas Heater valued at $100 and won with a bid of $55 by Angela Gardner.
As with any major events, there are many people who contribute to the overall success. I would like to thank the following people:

- the front office staff – Bev Machin, Kaylene Starczak and Sharon Kasteliz for their assistance with bookings, donations and answering lots of questions!
- Leon Mickan, Ken Allen and the students of F4 for their help in setting up for the event.
- the students of F7 for allowing us to use their chairs on the night.
- all of those present who helped to stack and put away some of the furniture at the end of the evening and those who helped on Monday morning.
- James Wade and Laura Thorburn for helping the committee on the night.

Lastly, I would like to thank and acknowledge the efforts of my colleagues on the Fundraising Committee - Karen Bell and Jasmine Wilson - for their work prior to and during the quiz night especially while I have been out of the school.

STUDENT LEADERSHIP FORUM

On Wednesday, 6 year 7 students, Rylee, Cameron, Amber, Talon, Cassidy and Harrison attended a leadership forum at Port Noarlunga arranged by Amanda Rishworth, the Federal Member of Kingston We listened to 3 guest speakers - Alex Price plays for the SA Scorpions, the South Australian Women’s cricket team; Brad Gotch was a former Australian Rules Footballer playing for Fitzroy and St Kilda, he is now coach of the South Adelaide Football Club; Jessica Adamson is a presenter on Seven News Adelaide. They all talked about their strong leadership skills: willing to take on roles, have a vision and purpose, relate to others, encourage and motivate, make decisions, listen, be honest and trustworthy, courage to do what you think is right. We then worked with another school to develop an activity to help our community.

Mrs Romanovskis
Congratulations to the Year 6/7 football team
On Saturday 20th June, our Year 6/7 Football team played in the Lightning Carnival at the South Adelaide oval in the Panther League School Football. Our boys played against 7 other schools in the Southern area and were undefeated winning the Shield. This win tops off 6 magnificent years for 8 of our senior players who have now won the 2/3, 4/5 and now the 6/7 Shield. The whole team played 6 fast pace, high energy games working together to win.

A very big thankyou to our Coach, Andrew Pinnegar. Not only has Andrew taught the boys to build up a solid skill level in each player but he has coached these boys for the past 6 years, giving them what is needed to win all three shields.

YEAR 2/3 FOOTY

We had a large amount of students wanting to play 2/3 footy this year. We now have two teams the blue and maroon teams.

The smaller teams are allowing the boys to develop their skills and have more fun.

Thank you to our existing coach, Matt Burns and a big thank you to Andrew Pinnegar for coaching the blue team.

Please note: If you have a child in Reception or Year one next year they are welcome to play with the year 2/3.

Thanks
Aimee
